

## BRONTE WEBSITE REDESIGN PROJECT BULLETIN

(YOUR RESPONSE IS REQUIRED!)

# Bronte Merchants!

**Your Bronte BIA is offering FREE directory listing & FREE homepage exposure on the new redesigned Bronte Website EXCLUSIVELY to Bronte Merchants & Businesses!**

Your Bronte BIA has done an amazing job getting our community website entirely redesigned. Our website is accessible to anyone in the world over the internet. It's crucial that it reflects the best of Bronte for shopping, living, working, eating, & family fun! In future, more enhancements will be added to make our amazing site even better!

We highly encourage you to browse our redesigned website ([www.brontevillage.net](http://www.brontevillage.net)). You'll experience Bronte's uniqueness, history, and marine heritage while seeing the site reflects a modern urban style showcasing the growing changes in our community. Our site now features an amazing "virtual map" of our community, updated information and news, local and BIA resources, event info, pictures of the community, bios of your BIA board members, profiles of the businesses in your neighbourhood, and even an online bulletin board where ideas can be shared!

### HUNDREDS OF DOLLARS OF EXPOSURE – FREE! NO CATCH! LIMITED TIME ONLY!

The new Bronte website puts a greater emphasis on shopping, dining, and professional services available in our community. We all know that a vibrant local economy is the key to our community's success. In that spirit, we're updating our business service provider and merchant information and offering free exposure on our homepage. This is valuable online real estate. Eventually, like most other sites, we'll be selling ad space to raise funds for our events, but you can benefit now FOR FREE by simply filling out the form below. Our website will come online late 2005.
